BOOKING POLICIES & RENTAL AGREEMENT **NO SMOKING NO PETS**

PLEASE FILL IN, SIGN AND SEND LAST PAGE ASAP TO RESERVE YOUR DATES.

CHECK IN 4 PM:

Check in is **4:00 PM**. We will email the lockbox location (at the cottage) and code for keys with your directions sent after a reservation is paid. If the cabin is ready, we may allow earlier arrival. We often do not know until just prior to your arrival if you will be able to check in early. If you wish to check in early, please call Pam at (626) 589-7771 (Verizon Mobile) or Email Pam@AcornLodging.com to confirm that it is possible. All guests are requested to remove shoes and leave them in the mudroom.

CHECK OUT 10 AM:

Check out time is **10:00 AM**. Late check out is not allowed without prior approval and cannot be allowed when the cabin is booked the same day, because the cabin must be cleaned. Check out procedures will be emailed to you with directions and reservation payment confirmation. When checking out, please call (888) 336-3030 and leave a message, leave the keys in the lockbox and lock the cabin. Housekeeping will inspect the cabin after 10 AM. If you mistakenly take home a key, there is a \$5.00 fee for replacement.

TRASH:

Please do not leave or put trash outside, it will attract animals. Please **DO NOT FEED THE BEARS**, do not leave food outside or in your vehicle. Close downstairs windows at night and when you leave during the day and make sure no food odors are in the kitchen, it could attract bears.

KITCHEN NOTES

Please do not put any oils or grease of any kind into the kitchen sink drain. Cool grease and pour into the trash. Any grease will freeze and clog the drains. Please put all kitchen food waste into the trash.

HOT TUB

Always shower before using the hot tub, do not add any soaps or oils to the hot tub, temperature will be set to about 102, since it is treated with natural minerals versus chlorine you may see the salts/minerals depositing/foaming around the water line, this is normal, the hot tub can accommodate 5 average size adults. Do not cause water to overflow controls, always cover when not in use.

GENERAL INFORMATION:

Snow plowing

If there is a plow-able snowfall, 3 inches or more of wet snow, we will shovel and plow mid-day or early afternoon at no charge once per day, please move your cars off the driveway so that we can plow. Parking in Winter, most guests have no problems negotiating our driveway in winter which is plowed for your convenience, however it is mandatory to carry snow chains in the winter when traveling in the Colorado mountains (during storms they will not let you on the highway without chains) and 4 wheel drive is also helpful. The snow can be anywhere from 2 to 6 feet deep in our area. If the road plow comes through at night use the snow shovel to remove the snow berm, do not park on the main road, the snow on the side is soft and you will sink in the ditch or could block the main plow. Our handyman is available for additional shoveling or help as requested.

SNOW SHOVELING & SNOW MELT

For your convenience there is a snow shovel in the mudroom and snowmelt granules that may be sprinkled on the steps and walkways on up to 3 inches of snow or ice.

GAS LOG FIREPLACE:

During the winter months, the cabin's main source of heat is the gas log fireplace and space heaters. The stove is on a thermostat below the Acorn Cottage sign in the hallway, please leave it at its lowest setting upon your departure and turn off all wall and space heaters. **DO NOT TRY TO OPEN THE GAS LOG FIREPLACE**. Do not put wood into the fireplace, it only uses special cement logs. The gas log fireplace exterior gets extremely hot (as with most heating units) please keep all fabrics and other flammable items at least 1-2 feet away from it, do not lay any flammable items, jackets etc on the hearth next to the stove to try and dry them, it will quickly melt ski jackets!

NUMBER IN PARTY:

Additional guests other than noted on the reservation must have prior approval.

NON SMOKING & NO PETS:

The cabin is non-smoking and no pets are allowed. Anyone smoking in the cabin or arriving with a pet will be asked to leave, payment for the stay WILL NOT be refunded and you will be charged \$200 for ozone treatment and the additional cleaning fees. Smoking is only permitted outside and littering is not allowed. Please note we are in a high fire danger area. If pet dander or pet hair is detected by the cleaning crews after your departure you will lose your entire security deposit of \$200.

We also stock 4 rolls toilet paper, 1 roll of paper towels, dish soap, laundry soap, hand soap, hand lotion and all natural hotel size bathing amenities, on longer stays keeping the cabin maintained with the essentials is the guest's responsibility.
